# SIS CERTIFICATIONS

**WE DO NOT SELL WE CERTIFY**

We are the leading and one of the most trusted certification bodies for over a decade and we are accredited by both the International Accreditation Service (IAS-IAF) and the International Organization for Accreditation Services (IOAS). With a legacy of over 30 years as pioneers in setting standards, we have become one of the market leaders in the ISO industry.

Our expertise extends from serving top global brands to assisting small ambitious businesses in over 55+ countries, empowering them to gain a competitive edge. As a leading organization in the ISO industry, we have an in-depth understanding of our client's needs and requirements

**Arunendra Dvivedi**  
(Managing Director)

when seeking ISO certificates. At our core, we believe in providing our clients with the best possible service and solutions to help them achieve their goals. We understand that ISO certification is not just a mere badge of honor, but a critical aspect of a company's success in the global market. As such, we have dedicated ourselves to ensuring that our process is thorough, impartial and transparent, to provide our clients with the highest level of assurance. Our primary goal is to understand the client's problems and provide them with concrete solutions. We are committed to making your certification experience smooth and hassle-free.

# BUSINESS NEWS
