# NEWSLETTER - MAY 2024

## Arunendra Dvivedi
Managing Director- SIS Certifications Pvt Ltd

Dear Team,

As we step into the month of May, I want to take a moment to express my heartfelt gratitude for your dedication and hard work.

April was a month of significant achievements, including the successful launch of our new product line, expansion into new markets, and surpassing our quarterly targets.

These accomplishments are a testament to our collective resilience and innovation. Moving forward, our focus will be on fostering further innovation, enhancing customer satisfaction, and advancing our sustainability initiatives.

Additionally, we are committed to supporting your well-being through new wellness programs and professional development opportunities.

Let's continue to work together, support one another, and drive our company to new heights. Here's to a productive and fulfilling May!

# Blogs

## How Important is HITRUST Certification?

The healthcare industry collects and stores a vast amount of patients' data. As a result, it is more prone to cyberattacks and becomes the primary target of security breaches and data theft. As per the HIMSS Survey, around 81% of US hospitals and healthcare systems and 83% of payers are adopting the HITRUST information security framework to win clients' and vendors' trust. Moreover, the certification is necessary for third-party vendors in the healthcare sector.
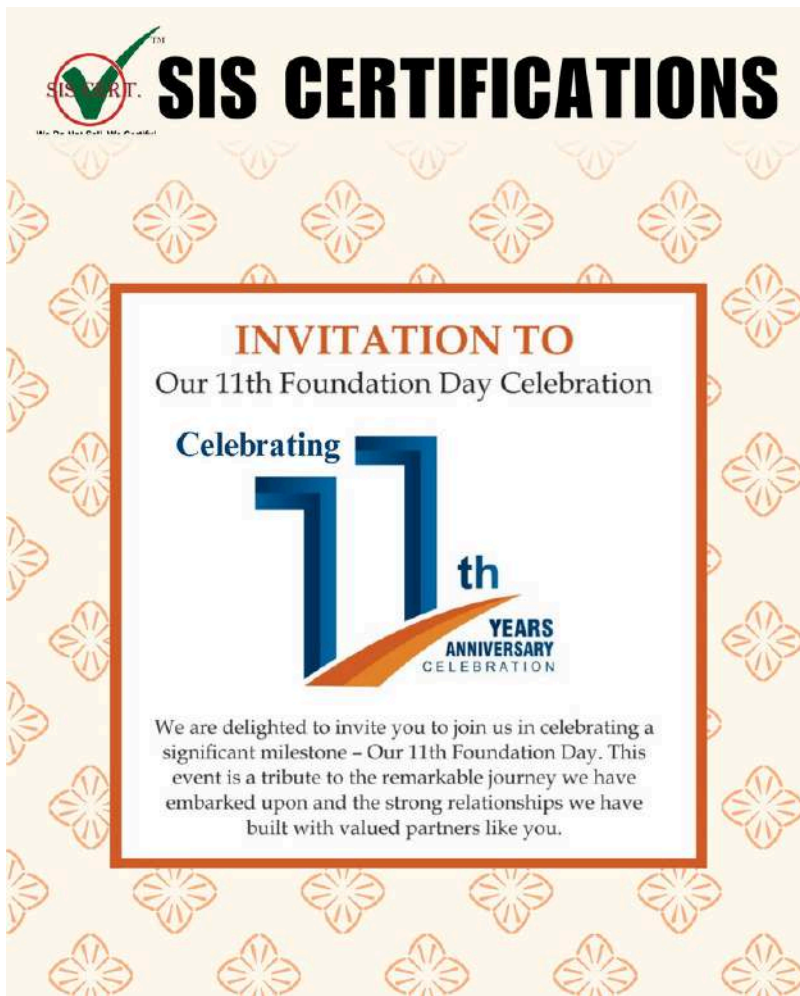

## ISO 14001:2015

ISO 14001:2015 is the international standard for environmental management systems, providing a framework for organizations to establish, implement, and improve environmentally sustainable practices.

## Future-Proof Your Data Privacy with ISO 27701 Certification

In today's digital landscape, organisations cannot overstate the importance of safeguarding personal information. Organisations worldwide are tasked with navigating a complex maze of data privacy regulations and cybersecurity threats. However, ISO 27701:2019 is a vital tool for every organisation striving for comprehensive data protection.

## Suitable for Industries like

Manufacturing, Chemical industry, Energy, Oil and gas, Transportation, Food and Beverage, Healthcare, Telecommunications:, Chemical and Pharmaceutical , Waste Management, Service Industries, Public Sector, Tourism and Hospitality.
